### THE JOURNAL

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the Chamber the approval thereof.

Pursuant to clause 1 of rule I, the Journal of the last day's proceedings is approved.

### PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentlewoman from Texas (Ms. GARCIA) come forward and lead the House in the Pledge of Allegiance.

Ms. GARCIA of Texas led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

### MESSAGE FROM THE SENATE

A message from the Senate by Ms. Byrd, one of its clerks, announced that the Senate has passed a bill of the following title in which the concurrence of the House is requested:

S. 645. An act to require the Attorney General to propose a program for making treatment for post-traumatic stress disorder and acute stress disorder available to public safety officers, and for other purposes.

### TIME TO STOP RUNAWAY SPENDING

(Mr. JOYCE of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOYCE of Pennsylvania. Mr. Speaker, if you lined up the \$10 trillion that the Congressional Budget Office reports we will owe as interest on our national debt, if you line that up in \$100 bills, it would stretch from New York City to Los Angeles and then back again.

This money does nothing to keep us safe, it does nothing to fund Medicare, and it does nothing to secure our border.

This debt has caused skyrocketing inflation. It has decimated savings accounts. It has mortgaged our Nation's future all for short-term political gain. It is time to stop the runaway spending on Green New Deal priorities that fail to help the American people.

When President Biden unveils his budget on Thursday, it must include a plan to reduce our debt. It must return to commonsense fiscal restraint and protect American taxpayers who cannot afford to keep wasting money on reckless budget proposals.

### PEOPLE OVER POLITICS

(Ms. GARCIA of Texas asked and was given permission to address the House

for 1 minute and to revise and extend her remarks.)

Ms. GARCIA of Texas. Mr. Speaker, House Democrats have always put people over politics, but House Republicans continue to prioritize their own power and pocketbooks instead of solving problems.

House Democrats have lowered kitchen table costs for Americans by lowering healthcare coverage prices, capping out-of-pocket drug costs for seniors, and giving Medicare the power to negotiate lower prices.

Additionally, we have helped make clean energy more affordable to American families through rebates and tax credits.

Meanwhile, House Republicans continue threatening to raise taxes on families and cut Social Security and Medicare funding.

Our seniors are dependent on these vital programs.

These extreme MAGA Republicans are focused on political games at the risk of thousands of Americans' livelihoods.

I will always put people over politics today, tomorrow, and every day.

People over politics.

### RECOGNIZING WINCHESTER RESCUE MISSION

(Mr. CLINE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLINE. Mr. Speaker, I rise to recognize the Winchester Rescue Mission on celebrating 50 years of caring for the homeless in our community.

In July of 1973, Morris Whitaker took out a \$20,000 loan and bought a building to convert it into a homeless shelter for men, and the rescue mission was born.

Over a decade later, the rescue mission extensively expanded its operations to help more people in need, adding a commercial kitchen, and increasing the number of beds.

Most recently, the current CEO and executive director, Brandon Thomas, spearheaded the opening of a new four-bed shelter for women in a single-family home and purchased a separate building to add 15 more beds for displaced women.

Brandon now has plans to convert a former restaurant into a homeless shelter later this year on Valley Avenue in Winchester.

This new venture will offer even more services to help local residents without permanent housing address mental health and addiction issues, learn how to properly care for themselves, and find jobs and affordable housing.

Communities all over the country face the, at times, daunting task of caring for large numbers of homeless people, but under Brandon's leadership, and the four others who led prior, the Winchester Rescue Mission has proven that with compassion, commitment,

and selfless love to folks who need it most, anything is possible.

Congratulations again to the Winchester Rescue Mission, and I wish them another 50 years of success.

### OUR NATION'S DEBT THREATENS FAMILIES

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, America is heavily in debt and living beyond its means.

Last month, the nonpartisan Congressional Budget Office issued a report projecting a Federal budget deficit of \$1.4 trillion for 2023. Further, the net interest on our national debt will amount to a \$10.5 trillion burden in taxes for families over the next decade destroying jobs.

The Nation has had a record increase in revenue, but unfortunately, under Biden and the Democrats, spending has surpassed the amount of money raised. This reckless and irresponsible spending has led to horrific debt as a threat to our children and grandchildren.

The newly elected House Republican majority led by Speaker KEVIN MCCARTHY is committed to creating jobs with an economy that is strong and fiscally responsible.

In conclusion, God bless our troops who successfully protected America for 20 years, as the global war on terrorism continues moving from the Afghanistan safe haven to America.

I thank Tucker Carlson for last night's "Tucker Investigates" about January 6, which Glenn Beck has correctly identified as every level has been lying about January 6.

The truth has finally been revealed.

### ANTIFA SHOULD BE DESIGNATED AS A DOMESTIC TERRORIST ORGANIZATION

(Ms. GREENE of Georgia asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. GREENE of Georgia. Mr. Speaker, I announce that I am introducing a House Resolution to designate antifa as a domestic terrorist organization.

America has had enough of these terrorists.

Just this past weekend, antifa-affiliated rioters set fire to the future Atlanta police training facility by attacking it, an organized attack that is all captured on video. Molotov cocktails and other destructive items, fireworks were fired at police officers, and the construction site was set on fire causing much damage.

There were over 30 people arrested.

Now, here is the issue: only two of them were actually from Georgia. The rest of them were from other places in the country, and several of them were from other countries like France and Canada. One of them happened to be an
